Dear Sir / Madam,

1. In connection with the proposed Issue, the Company is required to obtain a report from an independent chartered accountant that holds a valid peer review certificate issued by the Peer Review Board of the Institute of Chartered Accountants of India ("ICAI"), with regard to the key performance indicators as identified by the Company for the purposes of disclosure in the Draft Red Herring Prospectus / Red Herring Prospectus and Prospectus, or any addendum or corrigendum thereto (the "Issue Documents"), as required by Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (the "**SEBI ICDR Regulations**").
2. Certain non-GAAP measures presented in the Draft Red Herring Prospectus such as Year on year revenue growth, PAT Margin, EBITDA Margin, Profit after tax growth, Cash Profit after tax, Trade Receivables days, Inventory days, Trade Payable days, Net fixed asset turnover ratio, Net Asset Value per Equity Share and Net Asset Value per Equity Share - Adjusted (collectively "Non-GAAP Measures") are a supplemental measure of our performance and liquidity that are not required by, or presented in accordance with, Accounting Standards, Indian GAAP or IFRS. The accompanying statement, containing details of GAAP measures and non-GAAP measures, as described in the Technical Guide on Disclosure and Reporting of Key Performance Indicators in Issue Documents issued by the ICAI ("**Technical Guide**") identified by the Company as at and for the financial years ended March 31, 2026, 2025 and 2024 as per the requirement of Schedule VI, Part A (9) (K) (3) of the SEBI ICDR Regulations (the "**KPIs**"), and such statement, the "**Statement**", is prepared by the Management of the Company, which we have initialed for identification purposes only.

Management's Responsibility for the Statement

3. The preparation of the accompanying Statement is the responsibility of the Management of the Company. This responsibility includes designing, implementing, and maintaining adequate internal controls that were operating effectively and testing of such controls for ensuring the accuracy and completeness of information relating to KPIs including such accounting records relevant to the preparation and presentation of the Statement, and applying an appropriate basis of preparation; and making estimates that are reasonable in the circumstances.
4. The Management is responsible for:
 - a) Identification, definition, completeness, accuracy, relevance, appropriateness and sufficiency of the KPIs included in the Statement;
 - b) Providing access to the accounting and other records to us including information and explanations required for reporting on the KPIs;
 - c) Maintenance of the accounting and other records in relation to point (a) and (b) above; and
 - d) Compliance of ICDR Regulations, the Technical Guide on Disclosure and Reporting of Key Performance Indicators (KPIs) in Issue Documents and other regulatory requirements.

Our Responsibility

5. Pursuant to the requirements of Schedule VI, Part A (9) (K) (3) of the SEBI ICDR Regulations, it is our responsibility to obtain reasonable assurance and conclude as to whether (i) the financial details provided in the Statement are in agreement with the Restated Financial Statements of the Company for the financial years ended March 31, 2026, March 31, 2025 and March 31, 2024 ("**Restated Financial Statements**") proposed to be included in the Issue Documents, and/or the underlying books of account maintained by the Company used for the purpose of preparation of the Restated Financial Statements and (ii) the KPIs (including their definitions) included in the Statement are mathematically accurate.

6. The Restated Financial Statements referred to in paragraph 5 above, have been examined by us on which we issued our examination report dated June 30, 2026. The examination of these Restated Financial Statements was conducted taking into consideration the Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the ICAI, concepts of test checks and materiality to obtain reasonable assurance based on verification of evidence supporting the Restated Financial Statements and the requirements of Section 26 of Part I of Chapter III of the Act and the SEBI ICDR Regulations. Their work was performed solely to assist the Company in meeting its responsibilities in relation to its compliance with the Act and the SEBI ICDR Regulations. Their work was not planned and performed in connection with any transactions to identify matters that may be of potential interest to third parties.
7. We conducted our examination of the Statement in accordance with the Technical Guide on Disclosure and Reporting of Key Performance Indicators (KPIs) in Issue Documents, which require that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
8. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
9. A limited assurance engagement includes performing procedures to obtain sufficient appropriate evidence that vary in nature, timing and extent from a reasonable assurance engagement. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had we performed a reasonable assurance engagement. Accordingly, we have performed the following procedures in relation to the Statement:
 - a. Obtained list of KPIs from the management and compared the specific components of KPIs as mentioned in the Statement to source of KPIs as maintained by management which includes books of account, and Restated Financial Statements maintained by the Company as described in the paragraph 5 above;
 - b. Recomputed the mathematical accuracy of the KPIs included in the Statement; and
 - c. Conducted relevant management inquiries and obtained necessary representation
10. We have no responsibility to update this report for events and circumstances occurring after the respective dates of the reports on the financial statements mentioned in paragraph 5 above.

12. The KPIs disclosed below have been approved by a resolution of the Audit Committee dated June 30, 2026.

Inherent Limitations:

14. We, however, state that this is not an assurance as to the future viability of the Company or whether the KPIs have been considered / have a bearing for arriving at the basis for Issue Price. We further state that our reporting is based on the facts up to the date of the report and we neither give any guarantee nor any assurance that the KPIs reported will continue to perform and/or report in similar manner in future. It should be noted that the KPIs contained in the Statement may not be measures of operating performance or liquidity defined by generally accepted accounting principles. We make no comment about the Company's definition, methodology or presentation of the KPIs in the Statement or its usefulness for any purposes.
15. The KPIs included in the Statement should not be considered in isolation from, or as a substitute for, analysis of Company's historical financial performance, as reported and presented in the Restated Financial Statements of the Company included in the Issue Documents. Certain of these KPIs are not defined under accounting principles generally accepted in India, including the Companies (Accounting Standards) Rules (as amended) specified under section 133 of the Act, read with the Companies (Accounts) Rules, 2014 in compliance with Companying Regulation Act 1949. These KPIs may differ from similarly titled information used by certain peer companies, who may calculate such information differently and hence their comparability with the measures used by the Company may be limited.
